----- Fold along dash line

— Cut along this line

1. Fold top yellow line
and glue it together

2. Fold along this line
and glue it together

3. Fold this midline

4. Cut along these 13
vertical red lines on the
lantern lantern body

5. Bring the edges
together in a cylindrical
shape with the cut strips
running vertically. Be
sure that the fold is on
the outside of the lantern.
Glue the edges together
at the top, middle, and
bottom. You may use
staples.

6. Cut the handle,
attached it to one end of
the lantern with tape or
staples.
